

Liberty BioScience® Premium Extra-Strength Omega 3 Fish Oil has the highest five-star quality rating from The International Fish Oil Standards (IFOS) Program. Our premium fish oil is also concentrated for significantly more Omega 3 per capsule. And our value is incredible. We are committed to giving you this superior quality and strength at a tremendous value because you deserve it, and we want everyone to be healthy.

Our fish oil is not from farm raised fish, it comes from wild fish that swim freely in deep ocean waters. And our state-of-the-art molecular distillation helps remove toxins which guarantees our purity and potency.
