Blood Sugar Manager™

Don't Let Sugar Linger in Your Blood.

Blood Sugar Manager supports healthy blood sugar metabolism by enhancing the ability of cells to accept and convert glucose more efficiently.* This unique glucose control formula helps to quickly move sugar from the blood to the body's cells, where it can be used to create healthy energy.*

Improve your health now without ever lifting a finger!*

MANUFACTURED EXCLUSIVELY BY ENZYMATIC THERAPY, INC.,
GREEN BAY, WI 54311 USA

Recommendations: Two tablets daily with food. Best when taken with the meal highest in carbohydrates.

Caution: If you are taking medication to control high blood sugar or have hypoglycemia (low blood sugar) please consult with your healthcare practitioner before using this product. Individuals who are pregnant, nursing, or taking prescription drugs should consult a healthcare practitioner before using this product.

ETI is an FDA-registered drug establishment.

Contains no sugar, yeast, wheat, gluten, corn, dairy products, artificial coloring, artificial flavoring, preservatives, or ingredients of animal origin. This product contains natural ingredients; color variations are normal.
