

Made The Way Nature Intended!

Paradise full spectrum artichoke leaf extract is the highest quality nature has to offer. Using a 100% natural extraction method the true essence and breadth of the whole herb is captured therefore retaining all of its active and synergistic constituents in the balanced ratio nature intended.**

Studies show Artichoke can help maintain normal cholesterol levels. It is also used for supporting normal liver function and aiding digestion. It is perhaps one of the most valued herbs for over indulgence of food and drink.**
