

CONTAINS NO artificial colors, flavors, or preservatives; no wheat, gluten, milk, eggs, peanuts, tree nuts, soy, crustacean shellfish or fish. Suitable for vegans.

Magnesium is an essential nutrient required for muscle and brain activities, nerve function, and bone health.[†] It is also critical for energy production in the body. Sixty percent of the body's magnesium is stored in the bones, and over 25% is stored in muscle. Dietary surveys show that many people are susceptible to magnesium deficiency. Our Magnesium Glycinate 400 mg is a superior form of this essential nutrient.
