

SUGGESTED USE: Take one capsule per day or as directed by a healthcare professional.

CONTAINS NO artificial colors, flavors or preservatives; no wheat, eggs, peanuts, tree nuts, crustacean shellfish or fish.

Store in the refrigerator at all times, before and after opening.

Probiotics are beneficial bacteria that are normally found in our digestive system. They are important for restoring and balancing intestinal flora. The majority of our immune system is closely tied to our digestive tract, making it even more important to maintain proper gut health.[†] Just one capsule of our Multi-Flora Probiotic contains five different strains of the "good" bacteria needed for a healthy body.[†] To guarantee 8 billion active cells at the Best By date, we encapsulate 16 billion cells at time of manufacture.
