

ORGANICALLY GROWN

SUPER ECHINACEA®

*Broad Spectrum Extract
of Root, Leaf, Flower & Seed*

**Supports Healthy Function
of the Immune System***

HERBAL DIETARY SUPPLEMENT
60 Vegetarian Capsules • 350 mg each

roots + leaves + flowers + seeds

There's a Very Good Reason We Call It 'Super'

Super Echinacea® capsules are prepared from a concentrated juice extract of fresh Echinacea root, leaf & flower (no stem) which is mixed into a base of shade-dried root & seed powder.

Using multiple parts of the plant assures Super Echinacea® capsules are rich in the broad array of Echinacea's immuno-modulating compounds, especially the alkamides which are particularly abundant in the seeds.*

Herb Pharm uses only *Echinacea purpurea* plants which are **Certified Organically Grown** on our own farm without the use of chemical fertilizers, pesticides or herbicides, and are never fumigated or irradiated.

Our Roots Run Deep

Since founding Herb Pharm in 1979 we have continuously used the best quality organically grown & sustainably wildcrafted herbs, and adhered to ethical business practices that support the well being of our employees, customers & the planet.

Over the years the quality of our products has continually evolved by adding our certified organic farm, a GMP-compliant processing facility & our Botanical Sciences Laboratory.

We thank you for choosing Herb Pharm and we pledge to continue our mission of providing quality herbal products that support both the health of our customers and the environment.
