

Quality • Purity • Potency

Paradise products have won 10 Best of Supplements Awards. We are dedicated to sourcing premium ultra pure ingredients that meet the highest standards of excellence. Our herbs are always naturally grown or ethically wild crafted without the use of chemical fertilizers, pesticides or preservatives.*

Active Whole Spectrum Difference

Our Active Whole Spectrum extracts contain a full profile of naturally occurring constituents and are extracted without the use of toxic solvents and/or harsh chemicals. This unique method captures the true essence of the whole herb while still retaining a highly active and bioavailable concentration of phyto nutrients.*

WARNING: Keep in a cool dry place, out of the reach of children. If pregnant, nursing, or using any prescription medication consult your health care professional before using this product.
