

Made The Way Nature Intended!

Paradise Suma root is a potent 4:1 concentration. Its true full spectrum extract ensures all active and synergistic constituents are retained in the balanced ratio nature intended without the use of toxic solvents, harsh chemicals or fractionizing gases.

Suma has been used for centuries in South America where it is called "Para Todo" meaning *for all things*. It is an adaptogen and also supports energy, endurance and immune modulation.**

WARNING: Keep in a cool dry place, out of the reach of children. If pregnant or nursing, consult your health care professional before using this product.
