

Made The Way Nature Intended!

Paradise Bromelain Joint & Digestive Formula integrates the powerful proteolytic enzymes found in pineapple stems with a potent COX-2 inhibiting herbal extract combination. Our unique formula provides an all natural alternative with maximum synergistic benefits.

Current scientific research suggests that inhibiting the COX-2 enzyme (cyclooxygenase-2) is helpful in reducing inflammation. Bromelain with synergistic herbs is also used to aid gastro-intestinal imbalances and bloating caused by poor digestion.**

WARNING: Keep in a cool dry place, out of the reach of children. If pregnant, nursing, or using any prescription medication consult your health care professional before using this product.
