Seek Comfort in Cherry Fruit Extract

Cherry Fruit Extract is rich in flavonoids–natural, potent antioxidants which support joint health.* Flavonoids have also been shown to support the health of collagen which makes up part of the skin, bones and connective tissue.*

- Supports the body's natural anti-inflammatory response*
- Promotes pH balance by maintaining healthy uric acid levels already within normal range*
- Contains powerful antioxidants to help prevent damage to healthy cells*

If pregnant, nursing, or taking prescription drugs, consult your healthcare practitioner prior to use.
