

Recommendation: Take 2 capsules 1 to 3 times daily. Elderberry (*Sambucus nigra*) is a multipurpose fruit used widely throughout Europe as a tonic to maintain health and well-being.* More recently, elderberry has been recognized for its high nutritive value, especially for its potent naturally occurring polyphenols and anthocyanins.* The unique process used to make the juice concentrate in Elderberry Plus C helps to preserve the bioactive polyphenols and anthocyanins native to elderberry.* Sunfiber®, a prebiotic fiber, is included to replace the fiber lost during the juice process.
