

Tulsi Fields™

CCF Tea with Tulsi

Promotes peace and well-being

Limited harvest tulsi grown on the Banyan Farm

Tulsi Fields combines the Ayurvedic seed blend of coriander, cumin, and fennel with an abundance of flavorful tulsi leaves exclusively from the Banyan Farm in Southern Oregon. Our tulsi is carefully hand harvested and dried slowly to preserve *prana*, ensuring all of tulsi's health benefits make it into your cup.

Suggested Use: Combine ½ tablespoon Tulsi Fields with 8 ounces hot water. Let steep for 5–7 minutes, strain, and serve! Tulsi Fields can be made in larger batches at the ratio of ½ tablespoon per 1 cup of water. For a stronger brew, increase serving and steep for 10 minutes.

Not to be used during pregnancy. If you are nursing, taking medications, or have a medical condition, please consult with your health care practitioner prior to the use of this product.
