**10 Packets Per Box**

## UltraDetox 10-Day Pure Pack Features

- Activated B vitamins, including Metafolin® L5-methyltetrahydrofolate (L5-MTHF), the naturally occurring, universally metabolized form of folate
- Promotes phase II detoxification in the liver with vitamins, broccoli, curcumin, and amino acids†
- Maintains liver and tissue health with glutathione, NAC, ALA, silymarin and other antioxidant nutrients†
- Supports healthy hepatic fat metabolism and bile flow with artichoke and taurine†
- Supports G.I. cell health and detoxification with L-glutamine and chlorella†
- Promotes normal detoxification process for common, mild environmental heavy metal exposure†
- Moderates the effects of environmental estrogens with broccoli and its key metabolite DIM, NAC, and ALA†

Each packet contains

O.N.E.™ Multivitamin | 1 vegetarian capsule  
Liver-G.I. Detox® | 2 vegetarian capsules  
NAC (N-Acetyl-L-Cysteine) | 1 vegetarian capsule  
Taurine | 1 vegetarian capsule  
DIMPRO® 100 | 1 vegetarian capsule  
HM Complex | 3 vegetarian capsules

## STORE IN A COOL, DRY PLACE.

**Recommendations:** As a dietary supplement, take 1 packet daily (9 capsules), with a meal.

**Warning:** If you are pregnant or lactating, have any health condition or are taking any medication, consult your health professional before use.

**Keep out of the reach of children.**

## Supplement Facts

|                                                                                                       | Amount Per Serving            | %DV     |
|-------------------------------------------------------------------------------------------------------|-------------------------------|---------|
| Vitamin A (as vitamin A acetate and 73% beta carotene)                                                | 1,125 mcg                     | 125%    |
| Vitamin C (as ascorbic acid)                                                                          | 180 mg                        | 200%    |
| Vitamin D (as cholecalciferol (D <sub>3</sub> ))                                                      | 50 mcg (2,000 IU)             | 250%    |
| Vitamin E (as d-alpha tocopherol succinate)                                                           | 20 mg                         | 133%    |
| Thiamin (as thiamin HCl) (B <sub>1</sub> )                                                            | 3 mg                          | 250%    |
| Riboflavin (as vitamin B <sub>2</sub> ) and 43% riboflavin 5' phosphate (activated B <sub>2</sub> )   | 3 mg                          | 231%    |
| Niacin (as niacinamide)                                                                               | 20 mg                         | 125%    |
| Vitamin B <sub>6</sub> (as pyridoxine HCl and 36% pyridoxal 5' phosphate (activated B <sub>6</sub> )) | 4 mg                          | 235%    |
| Folate (as Metafolin® L5-MTHF)                                                                        | 667 mcg DFE (400 mcg L5-MTHF) | 167%    |
| Vitamin B <sub>12</sub> (as methylcobalamin)                                                          | 500 mcg                       | 20,833% |
| Biotin                                                                                                | 300 mcg                       | 1,000%  |
| Pantothenic acid (as calcium pantothenate) (B <sub>5</sub> )                                          | 10 mg                         | 200%    |
| Choline (as choline bitartrate)                                                                       | 25 mg                         | 5%      |
| Iodine (as potassium iodide)                                                                          | 150 mcg                       | 100%    |
| Zinc (as zinc citrate)                                                                                | 35 mg                         | 318%    |
| Selenium (as selenomethionine)                                                                        | 170 mcg                       | 309%    |
| Manganese (as manganese citrate)                                                                      | 2 mg                          | 87%     |
| Chromium (as chromium polynicotinate)                                                                 | 200 mcg                       | 571%    |
| Molybdenum (as TRAACS® molybdenum glycinate chelate)                                                  | 75 mcg                        | 167%    |
| Sodium (from modified citrus pectin)                                                                  | 50 mg                         | 2%      |
| Potassium (from modified citrus pectin)                                                               | 70 mg                         | 1%      |

|                                                                                                                                                                                       |          |   |
|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------|---|
| Boron (as boron glycinate)                                                                                                                                                            | 1 mg     | * |
| Inositol                                                                                                                                                                              | 25 mg    | * |
| *FloraGLO lutein                                                                                                                                                                      | 3 mg     | * |
| Lycopene                                                                                                                                                                              | 500 mcg  | * |
| Zeaxanthin                                                                                                                                                                            | 500 mcg  | * |
