SUGGESTED USAGE: As a dietary supplement, take 2 Vcaps® daily as needed, preferably with meals; or take as directed by your health practitioner.

Niacin (Vitamin B-3) is an essential B-vitamin necessary for good health. Many Niacin supplements cause a temporary Niacin flush or tingling red rash on the skin when taken in large doses. This flush-free Niacin is formulated to avoid such reactions.

Caution: Not to be used by pregnant/lactating women or those with liver problems, stomach ulcers or diabetes unless recommended by your healthcare practitioner.

Supplement Facts

Serving Size 2 Vcaps®
Servings Per Container 45

	Amount Per Serving	% Daily Value
Niacin (from 640 mg of Inositol Hexanicotinate) (Vitamin B-3)	500 mg	2500%
Inositol (from 640 mg of Inositol Hexanicotinate)	135 mg	†

† Daily Value not established.

Other ingredients: Rice Flour, Cellulose (capsule), Cellulose, Stearic Acid (vegetable source), Guar Gum, Silica and Magnesium Stearate (vegetable source).

Inositol Hexanicotinate is a stable, non-flushing source of Niacin. This superior source of Niacin works to reduce the common "niacin-flush" problems associated with high doses of Niacin supplements.

Contains no sugar, salt, yeast, wheat, gluten, corn, soy, milk, egg or preservatives.

Vcaps® is a registered trademark of Capsugel.

Vegetarian Formula.
