Do Not Eat Freshness Packets. Keep in Bottle.

Natural color variation may occur in this product.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication, or have a medical condition. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat cure or prevent any disease.

Suggested Usage: Take 1 capsule twice daily. N-Acetyl Cysteine (NAC) is a stable form of the non-essential amino acid L-Cysteine. It is a sulfur-containing amino acid that acts as a stabilizer for the formation of protein structures, and is also necessary for the formation of glutathione.* Molybdenum and Selenium are essential trace minerals that facilitate the production of several important enzymes.*
