Good for your Gut!

Your gut is your engine, your digestive core.

Keep it running smoothly with Ultimate Flora™ Probiotics. When taken regularly, *Bifidobacteria* and *Lactobacilli* help promote digestive and immune balance so you feel better, lighter, and more energized.*

POWERFUL & EFFECTIVE

Did you know there are 100 trillion bacteria inside your digestive tract? To keep that complex system thriving, our high-potency formulas work hard to provide more of the good-for-you bacteria that occur in a naturally healthy gut.*

MULTI-STRAIN BENEFITS

Having a good balance among all the diverse microbes in your gut is key to well-being. But stress, aging, diet, and other issues can upset this delicate equilibrium. Ultimate Flora Probiotics are made with multiple, scientifically studied strains to support digestive balance and harmony.*
