Taurine

500 mg

Supports a Calm Mood*

DIETARY SUPPLEMENT
100 Capsules

DISTRIBUTED BY: DOUGLAS COOPER CO.
377 Ridge Point Dr, CARMEL, IN 46032

Suggested Usage: Take 1 capsule 1 to 4 times daily with juice or water, preferably between meals.

Taurine is a conditionally essential amino acid that is not utilized for protein synthesis, but is mainly found free in most tissues, especially throughout the nervous system.* It functions in tissues by stabilizing cell membranes and aiding the transport of potassium, sodium, calcium and magnesium in and out of cells.* Taurine helps to generate and regulate nerve impulses and supports the maintenance of normal fluid balance; it is also used by the body in visual pathways, as well as in the brain and nervous system, where it works together with glycine and GABA as a neurotransmitter.*

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.

Caution: For adults only. Consult physician if pregnant/nursing, taking medication (including anti-hypertensive and diuretic medications), or have a medical condition (including hypotension). Keep out of reach of children.
