

**Made with Organic and Ecologically
Wild Crafted Concentrated Ingredients**

Many of us don't eat the recommended 9 servings of fruits and vegetables daily. That is why **ORAC (Oxygen Radical Absorbance Capacity) Energy® Greens** is the perfect supplement to provide the antioxidant protection we all need. Our patented formula is the next generation in greens containing over 42 certified organic and pesticide free ingredients. These ingredients include highly bioavailable juice powders, aqua superfoods, freeze-dried berries and veggies, immune-supporting mushrooms, stress-harmonizing adaptogens, probiotics, and ecologically wild crafted and/or naturally grown herbal concentrates.*

Over 40,000 total ORAC per serving **ORAC Energy® Greens** provides the antioxidant power of more than 24 servings of fruits & vegetables in every scoop. In addition, our ecologically wild crafted herbs can go beyond organic by helping promote fair trade while keeping the environment pure by providing indigenous people the opportunity to make a living without clearing natural landscapes or cutting down rainforests.*

Suggested Use: 4-8 vegetarian capsules daily or as directed by a qualified healthcare professional.

100% vegan. Contains **NO** animal products, common allergens, added sweeteners or flavored fillers. Our wheat and barley juice powders are harvested from young grasses before the gluten containing endosperms develop and are gluten free.

WARNING: Keep in a cool dry place, out of the reach of children. If you are pregnant, nursing, taking any medication or have a medical condition, please consult your healthcare practitioner before taking any dietary supplement. As part of the natural growth process plants absorb elements, such as lead from the soil. California residents only: This product contains a chemical known to the State of California to cause birth defects or other reproductive harm. California law requires the above warning when certain chemicals are detected, such as lead, even when levels are below U.S. federal safety guidelines. This product and all Paradise products comply with all Federal safety regulations.
