

DigestMORE™ is more than a digestive enzyme formula. It combines natural plant-sourced enzymes with soothing ingredients to help reduce digestive discomfort.*

Our exclusive *SmartZYME* process uses a fusion of up to three different strains of key enzymes to increase the potency of the formula. This multi-strain blending ensures that our enzymes are active over the wide range of pH levels found in the human digestive system.

No Artificial Ingredients

Store at 77°F (25°C) or below.
