

SUGGESTED USAGE: Add 1 level scoop daily to 8 oz. of cold water, milk, or your favorite juice. Stir or blend.

Our Whey Protein is a delicious blend of three of the highest quality whey protein concentrates and isolates from around the world: ultrafiltered, microfiltered and enzymatically hydrolyzed (partially predigested). This blend of specially processed whey proteins is designed to maximize amino acid absorption and biological value (BV). In addition, extra glutamine has been added (460 mg per serving) to this blend.

Whey protein is considered to have the highest biological value (BV) of any protein source – superior in essential amino acid content to beef, milk, casein or soy.

Not manufactured with wheat, gluten, egg, fish, shellfish or tree nut ingredients. Produced in a GMP facility that processes other ingredients containing these allergens.

NOTICE: Use this product as a food supplement only. Do not use for weight reduction.

Natural color variation may occur in this product.

Contains Xylitol, which is harmful to pets.

This product is sold by weight not volume.

Store in a cool, dry, dark place after opening.
