OTHER INGREDIENTS: Natural flavors, citric acid, malic acid, calcium silicate, silica, dicalcium phosphate, sucralose, acesulfame potassium, FD&C Red #40. Contains Soy. Made in a GMP facility on equipment that processes milk, soy, egg, peanuts, tree nuts, fish, shellfish, and wheat.

DOSAGE: Mix two scoops of Animal Pump Pro with 16 oz. of your beverage of choice 15-20 minutes before training. This product is formulated with ingredients that absorb moisture which can lead to clumping of the powder. This is normal and the product is okay to consume.

WARNING: Exercise good judgment and keep this out of reach of children. To keep it as fresh as possible, store this product in a cool, dry place, away from heat, moisture and sunlight. You know the drill. California Residents: ⚠️ **WARNING:** Reproductive Harm - www.P65Warnings.ca.gov.

OUR IRONCLAD GUARANTEE: Animal is dedicated to being the best in the business, no two ways about it. If this product doesn't meet with your toughest requirements for any reason, let us know. When it comes to standing behind our products, we don't mess around. That's the truth.

PUMP PRO

Net Wt. 15.5oz (440g) The Non-Stim Pre-Workout Muscle Volumizing Stack

WHO WE ARE In 1983, Animal was founded with the birth of Animal Pak, the venerable training "pack" that started it all. Born from the needs and desires of pro bodybuilders, Animal has grown prodigiously over the decades. Today, Animal has stood the test of time and been proven in the trenches day in and day out. **WHAT ANIMAL PUMP PRO™ IS** Up the volume with Animal Pump. It's a "core" muscle pre-workout product for "pumps". For the bodybuilder, getting the pump is the name of the game, what it's all about. It's not just an addictive feeling. Your muscles don't just feel bigger. They are. A pump signals the start of oxygen and nutrient-rich blood flooding into the muscle, setting the table for new growth. So is your table set?
