

UNIVERSAL[®]

WHO WE ARE Founded in 1977, we are a family-run company that has been formulating and manufacturing proven nutritional products for dedicated athletes. Our products are found in over 90 countries around the world. Throughout our long history, we've focused on providing solutions for elite weightlifters. Our new **SPORT SERIES** is targeted for any athlete who relies on the benefits of resistance training to help them achieve a competitive edge. **CARB MAX** CARB Max™ is a high quality, balanced carbohydrate powder. At its core is a specialized Quad Carb blend comprised of fast and sustained-released carbs—waxy maize, maltodextrin, d-glucose and pea starch. This dual action blend of high-molecular weight and low-molecular weight carbohydrates helps to ensure a steady flow of glucose into the blood stream, allowing them to maintain their true nature. Added electrolytes ensure proper rehydration and replacement of key electrolytes that are lost while training play an important role. Whether you're an endurance athlete or bodybuilder, the addition of carbohydrates during training. CARB Max™ is simply a great tasting way to get more out of your workouts.†

- Ideal Blend of Fast and Sustained Carbs
- Maintain Muscle Glycogen
- Enhanced with Electrolytes
