

TheramedixBioSET Natto contains Nattokinase blend and 6 additional enzymes. This blend has been shown to have high fibrinolytic (breaks down fibrin) and antioxidant activity.[†]

Recommended Usage: Take 1 capsule right before bed. For Therapeutic Purposes: Take 2 capsules 3 times a day on an empty stomach (1/2 hour before or 2 hours after a meal).

NO ADDED FILLERS

TheramedixBioSET uses our exclusive Thera-blend™ process for protease, lipase, amylase and cellulase. Each of these enzymes represents multiple strains that are blended for their ability to break down numerous bonds in varying pH levels.
