

BETTER LIVING BEGINS WITHIN

Almega®PL, our proprietary form of algae Omega-3, rejuvenates your hair, skin and nails and offers 50% better absorption than fish or krill oil! For even more support, we added biotin as a hair and nail growth stimulator, and Vitamin C to boost collagen. Sustainably farmed in the USA, iwi algae is cultivated in the desert with saltwater and powered by the sun. Not only do we avoid harming the ocean and the life in it, we also give back 1% of our net sales to Ocean Unite. iwi is good for every living thing.
