

BETTER LIVING BEGINS WITHIN

iwi's patented Almega®PL is the world's only source of Omega-3 that naturally contains the phospholipids and glycolipids which helps your body absorb 50% more Omega-3 than fish or krill oil. Sustainably farmed in the USA, iwi algae is cultivated in the desert with saltwater and powered by the sun. Not only do we avoid harming the ocean and the life in it, we also give back 1% of our net sales to Ocean Unite. iwi is good for every living thing. Learn more at:
