

BETTER LIVING BEGINS WITHIN

Almega®PL, our proprietary form of algae Omega-3, offers 50% better absorption than fish or krill oil. Our unique EPA is an essential constituent of the immune cells and a powerful mediator in the inflammatory response. For additional immunity support, we added a blend of Vitamin A, C, D, E and zinc. Sustainably farmed in the USA, iwi algae is cultivated in the desert with saltwater and powered by the sun. Not only do we avoid harming the ocean and the life in it, we also give back 1% of our net sales to Ocean Unite. iwi is good for every living thing. Learn more at:
