

The Malibu Juice Bar opened inside The Vitamin Barn in 1991, offering a variety of fresh juices and herbal drinks. Immunity Shots are legendary amongst the locals for its ability to enhance overall wellness and boost immune support. Just one shot and you'll experience the same results as MALIBU LOCALS.*

Ginger has been used around the world and in ancient times to support immune systems, cardiovascular health, and for overall energy.*

Olive Leaf has been used in Egyptian and Mediterranean cultures for thousands of years.* Astragalus has been used traditionally in Chinese Medicine.*

Grapefruit Seed Extract and Oregano Oil, have immediate effects.*

Get the benefit of all these synergistic ingredients in one Immunity Shot.*
