Dietary Supplement

Directions for use

Two to three tablets daily, preferably with a meal or as directed by a healthcare professional. Highly active people may take three tablets daily. For best results, this product should be taken early in the day.

Did you know? There are 42 fruits and vegetables crammed into the Apsu Superfood Multivitamin.

Caution

Do not exceed recommended dose.
Pregnant or nursing mothers, children under 18, and individuals with a known medical condition or those with questions about the advisability of taking this product, consult your physician prior to use. This product is manufactured in a facility which may also process milk, soy, wheat, egg, peanuts, tree nuts, fish and crustacean shellfish. Apsu is a dietary supplement and should not be used as a substitute for a varied diet and healthy lifestyle. Keep out of the reach of children. Do not use if already opened. Store in a cool, dry place. After opening, transfer the product into a sealable jar or container.
