

Daily Essential Nutrients Powder provides the solid nutritional foundation your brain and body need to perform optimally. It is backed by more independent mental health research than any other vitamin-mineral formulation. Count on it to deliver results beyond anything seen with other products for these key reasons:*

- ▶ **Completeness.** Every biological process requires *multiple* essential nutrients. **Daily Essential Nutrients Powder** delivers *every* essential vitamin and mineral you need to fortify your body against serious problems like chronic stress, anxiety, depression, and brain cell degeneration.*
- ▶ **Form.** We use the highest quality vitamins, and you can trust that each mineral in our NutraTek™ formulation is combined with organic molecules—just like nature—to ensure maximum bioavailability. This carefully crafted formula optimizes absorption and enables vital nutrients to efficiently cross the blood-brain barrier, enhancing neuron structure and function.*
- ▶ **Balance.** The level of each ingredient is calculated to maintain the natural ratios of nutrients in your body that are critical to promote optimal cognitive function, mental clarity, focus, and mood stability.*

Experience a refreshing new level of wellness with **Daily Essential Nutrients Powder!***

Suggested Use†: Start with a quarter scoop per day. For children younger than 6, increase to 1 or 2 scoops per day, as needed. For individuals 6 or older, increase to 1 level scoop 3 times per day or as recommended by a physician. One level scoop is approximately equivalent to 4 **Daily Essential Nutrients** capsules and is designed to be mixed with 1 cup of cold juice, smoothie, milk, or other flavored liquid of choice and consumed immediately. For recipe ideas, visit: try.GetHardy.com/recipes. Store in a cool, dry place. Do not use if tamper-evident seal is broken or missing.

***Note:** Children and individuals taking prescription medication(s) should be monitored by a physician while taking **Daily Essential Nutrients Powder**. In most cases, psychoactive drugs will need to be gradually reduced and eventually discontinued during **Daily Essential Nutrients Powder** therapy to minimize over-medication effects.* As with any supplement, if you have a medical condition, consult your doctor before use. For physician product information, call 1-855-955-1114.

WARNING: Accidental overdose of iron-containing products is a leading cause of fatal poisoning in children under 6. Keep this product out of reach of children. In case of accidental overdose, call a doctor or poison control center immediately.
