

Chondrinol® Extra Strength (ES) propels joint health to new levels of comfort and mobility by delivering triple-action nutrition to joints. Fortified by glucosamine and chondroitin, Chondrinol® Extra Strength (ES) helps support the body's ability to grow new, healthy cartilage tissue; nourish and lubricate joints and support a healthy inflammation response.*

SUGGESTED DOSAGE: As a supplement take one (1) Chondrinol® Extra Strength (ES) tablet, three times daily. For maximum joint results, take with Ostinol®.

WARNING: Consult a physician before using if pregnant, nursing or on medication. This product contains glucosamine which has been derived from shellfish, do not use this product if you have an allergy to shellfish. Do not use if inner seal is missing or broken. Store in a cool, dry place.

Keep out of the reach of children.
