

Contains Cyplexinol® Pro, an all-natural protein complex which supports the body's ability to grow new healthy bone tissue while promoting healthy immune signaling. Also provides the bones with Vitamins D3 and K2. Vitamin D3 is critical for calcium absorption in the stomach, while K2 helps support proper calcium utilization.*

SUGGESTED USE: As a supplement, take one (1) capsule per day, or as recommended by your healthcare professional. For maximum bone support, take with MCHC or Tricikids-2® ES.

WARNING: Consult with your healthcare provider before using this or any supplement if you are pregnant, nursing or on any medication, including Coumadin® (Warfarin) or other prescription blood thinners. Do not use if inner seal is missing or broken. Store in cool, dry place. Keep out of the reach of children.
