

LifeSeasons®

NATURE WORKS. SCIENCE PROVES IT.™

Low-carb eating has been shown to improve health outcomes. But a diet high in healthy fats may initially be hard on the digestive system. Keto Digestivi-T is formulated with specifically-targeted probiotics and enzymes for healthy protein and fat digestion.*

Keto Digestivi-T soothes bloating and digestive discomfort associated with high-fat or high-protein diets.*

- **Lipase** - a digestive enzyme that supports the breakdown of fat*
- **Ox Bile** - provides supplemental bile to support fat digestion*
- **Protease Enzymes** - enhance the body's ability to digest protein*
- **Lactobacillus** - probiotic bacteria to support healthy digestion, absorption, and intestinal integrity*
- **Bifidobacterium** - probiotic bacteria for intestinal tract health, especially benefiting the bowel; neutralizes free radicals*

CAUTION: As with any dietary supplement, do not take without first consulting your healthcare practitioner, especially if you are pregnant, nursing, or are under medical supervision for any reason. Keep out of reach of children.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure, or prevent any disease.
