

Suggested Use: Add 1-2 scoops IMD to a soluble Vitamin C solution or Phospholipid suspension or add to food 1-2 times per day as directed by healthcare practitioner. For liquids, stir to create a suspension and drink quickly before settling. Take with small amount of food if any stomach upset occurs.

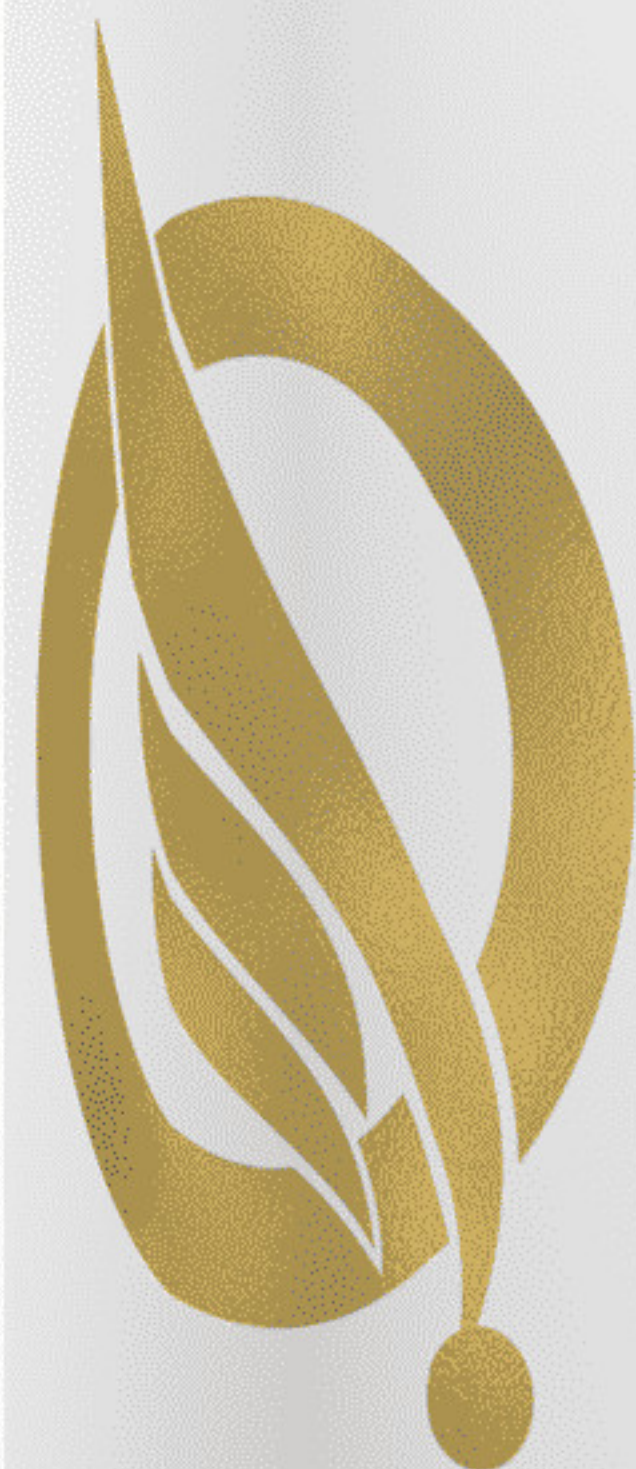

Quicksilver Delivery Systems™: Quicksilver nutraceuticals utilize modern science to unleash the curative power of nature. With the world's most advanced phospholipid delivery systems, Quicksilver Scientific supplements nourish your cells as they deliver their core effective ingredients faster and more effectively.
