"Original Water Treatment"

6 CoralCal Sachets • 1 gram each

CoralCalTM *Daily*

CoralCal DailyTM uses premium grade, 100% pure, ionized bioavailable coral minerals, collected from the fossilized coral granules of Okinawa, Japan, with ecological safety overseen by the Japanese government for the protection of the coral reefs and marine life. CoralCal naturally provides us with important marine nutrients. When added to water (or any liquid) highly absorbable ionized marine minerals are released, creating delicious tasting, highly absorbant, alkalized water to hydrate your body.
