ULTRA BINDER

*Universal Toxin Binder**

DIETARY SUPPLEMENT

NET WEIGHT 80g | 20 PACKETS 4g EACH

ULTRA BINDER®
*Universal Toxin Binder**

Every day, we encounter a long list of toxic substances, including heavy metals, pesticides, herbicides, hormone mimics, drug residues, food additives, and mold and bacterial toxins. No one compound can bind them all. Our Ultra Binder contains a unique and optimized blend of bentonite clay, activated charcoal, chitosan, and IMD Intestinal Cleanse—our proprietary mercury-binding complex—to intercept and capture a broad spectrum of contaminants. And because binders can be constipating, we add the soothing and mild movers gum Arabic and aloe vera, which also serve to support the health of the intestinal lining, gut motility, and the growth of friendly flora.
