

Coenzyme Q10 (CoQ10) is a natural antioxidant found in every cell of the body. The ability to produce CoQ10 can diminish with age, making supplementation important. Viva Naturals CoQ10 supports cellular energy production, and is especially critical in maintaining a healthy cardiovascular and circulatory system.* CoQ10 has also been shown to promote vitality and stamina, fortify cognitive and immune functions, provide cellular defense to support healthy aging, and assist in exercise recovery.*

For maximum bioavailability, our CoQ10 also features BioPerine®, a black pepper extract clinically shown to enhance ingredient absorption naturally.*

Manufactured For:

Viva Naturals Inc.

228 Park Ave South Suite 2400

New York, NY 10003 - 1-800-921-8482
