

ABOUT KSM-66 ASHWAGANDHA

KSM-66 ASHWAGANDHA[®] is the most potent and clinically researched full spectrum Ashwagandha root extract in the world. It contains the highest percentage of standardized Withanolides (>3%) of all root-only extracts whilst maintaining the natural balance of the numerous constituents found within the herb. Ashwagandha has been used for thousands of years in Ayurvedic practice as a rejuvenative and adaptogenic herb. Modern scientific research has found that it can help the body resist physiological and psychological stress as well as having a unique dual ability to energize and calm the body.*

SUGGESTED USE:

Take two (2) capsules daily preferably with a meal or as recommended by a healthcare professional.
