

Suggested Use: Shake well. (Adults) Using the dropper, add 5 drops to 12oz water or juice. Take 1 to 3 serving per day depending on needs. For those with stomach sensitivity, take with food. (Children) Add 3 drops to 8oz water or juice.

The body most easily recognizes and absorbs Ionically-Charged Zinc*. It naturally exists in the nano-size range and has maintained its ionic charge. This liquid concentrate provides convenient and flexible use in very small doses.

Zinc is an essential mineral that is a cofactor in thousands of bodily processes.*
