

ABOUT TURMERIC CURCUMIN:

Turmeric (*Curcuma longa*) has been used a medicinal herb for thousands of years. Recent scientific evidence has now shown that Curcumin which is a component of turmeric has potent natural anti-inflammatory properties that work to support joint health, neurological function and cardiovascular health as well as being an excellent source of natural anti-aging antioxidants.*

SUGGESTED USE:

As a dietary supplement, take 3 (three) capsules daily preferably with a meal and water or as recommended by a healthcare professional.
