

ABOUT MORINGA

Moringa is native to the Sub-Saharan region and has been used for centuries for its amazing nutritional properties. Moringa is a nutrient dense superfood which is rich in Vitamins A, B, C, iron, potassium and all essential amino acids. It also contains the phytonutrient, Zeatin and the beauty mineral sulphur which help support healthy skin. Its high concentration of antioxidants also help combat the aging process.

SUGGESTED USE:

As a dietary supplement, take two (2) capsules daily with or without food or as direct by a healthcare professional.
