

ABOUT ELDERBERRY

Elderberry, also known as *Sambucus nigra*, is an incredibly nutritious. The Elderberry plant contains plant compounds called Anthocyanins, which have been shown to help support a healthy immune system. They also contain Vitamin C, which helps support healthy immune function as well as collagen production. Our tasty Gummy Formula is also boosted with Zinc, which is essential for immune health and stimulates the activity of numerous important enzymes in the body. Our Elderberry Gummies are the easy and tasty way to incorporate the health benefits of Elderberry in your daily life.*

SUGGESTED USE:

As a dietary supplement, take two (2) gummies daily, preferably with a meal or as directed by your healthcare provider.
