

ABOUT GARCINIA CAMBOGIA:

Garcinia cambogia, also known as the Malabar tamarind, is a small, sweet tropical tree fruit shaped like a pumpkin. Acid found in the fruit called hydroxycitric acid, or HCA. One thing we know is that HCA blocks a portion of an enzyme called citrate lyase, which helps turn sugars and starches into fat.

SUGGESTED USE:

As a dietary supplement, take two (2) veggie capsules daily, each on an empty stomach 30-60 minutes before a meal.

100% GUARANTEED FREE OF

ADDITIVES, FILLERS, LUBRICANTS, SOY,
SUGAR, DAIRY, YEAST & GLUTEN

CAUTION:

Pregnant or nursing mothers, children under the age of 18, and individuals with a known medical condition should consult a physician before using this or any dietary supplement. Do not exceed recommended dose.
