

Concentrated Palmitoleic Acid

Omega-7 (Palmitoleic Acid) is a monounsaturated fat found in fish but absent in regular fish oil supplements. It is powerful in small doses and has no fishy odor or burps. Purified Omega-7 may help maintain healthy blood fats and C-reactive protein, both of which are important for healthy cardiovascular function.*

SUGGESTED USE: Take one capsule daily with a meal.

DOES NOT CONTAIN: dairy, eggs, corn, shellfish, tree nuts, peanuts, wheat/gluten, soy, sugar, GMO, yeast, Chinese ingredients, artificial colors or flavors.

Purified to remove mercury and cholesterol. Soy free.

Provinal® Omega-7 does not contain Sea Buckthorn, which contains Palmitic acid, a potentially harmful fat. Provinal® contains less than 1% Palmitic acid.

*When used as part of a healthy diet and exercise regimen, Omega-7 may help maintain healthy triglyceride and CRP levels.

*These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
