

Omega Miracle TG is a highly refined and concentrated Omega-3 fish oil sourced from the coast of Chile. The fish oil is molecularly distilled for purity and tested for heavy metals, PCBs, and toxins. The product is formulated to support cardiovascular health, brain, immunity and joint function, as well as enhancing skin, hair and nail health.* Best of all, Omega Miracle TG comes in the natural triglyceride (TG) form that is optimally absorbed by your body, unlike typical "ethyl ester" (EE) fish oils that may be harder for your body to break down and put to use.*

SUGGESTED USE: Adults take 2 softgels a day preferably at mealtime or before bedtime.
