

SUGGESTED USE: As a dietary supplement for adults, take 2 capsules daily.

From the banks of the Amazon River, we bring you the amazing acai, once the exclusive terrain of the indigenous people of that part of Brazil, for whom it was a regular staple.* Widely regarded as one of the planet's most nutritious foods, acai berries boast one of the highest ORAC values of any fruit.*

Active Acai is a freeze-dried powder which is carefully freeze-dried at nutrient-preserving low temperatures within hours of harvesting.
