

LifeSeasons®

NATURE WORKS. SCIENCE PROVES IT.™

Gut-friendly microbes have been linked to a number of positive health factors, like better weight management, improved immune response, and fewer tummy issues. Digestivi-T® is formulated with all-natural probiotics to support the body's microbiome and encourage healthy digestion.*

Digestivi-T® supports the digestive tract and promotes the absorption of nutrients.*

- **SEB - Gluten Relief®** - a powerful enzyme blend for digesting proteins in gluten (grain) and casein (milk)*
- **DigeSEB® Enzymes** - promotes the digestion of carbohydrates and fiber*
- **Lactobacillus** - probiotic bacteria to support healthy digestion, absorption, and intestinal integrity*
- **Bifidobacterium** - probiotic bacteria for intestinal tract health, especially benefiting the bowel; neutralizes free radicals*
- **Saccharomyces Boulardii** - a beneficial yeast that supports healthy digestive function and immunity

CAUTION: As with any dietary supplement, do not take without first consulting your healthcare practitioner, especially if you are pregnant, nursing, or are under medical supervision for any reason. Keep out of reach of children.
