

LifeSeasons®

NATURE WORKS. SCIENCE PROVES IT.™

Blood sugar levels naturally fluctuate after meals, snacks, and caloric beverages, and it can take hours for the spikes to even out. Glucose Stabili-T™ is formulated with all-natural ingredients to support balanced blood-sugar levels, metabolism, and healthy insulin response.*

Glucose Stabili-T™ supports circulation, vision, and helps balance blood sugar already in the normal range.*

- **Chromium** - helps maintain blood sugar levels already within the normal range*
- **Cinnamon (Ceylon)** - supports glucose metabolism and promotes circulation*
- **Gymnema** - an herb used in Ayurvedic medicine to help maintain normal blood sugar levels and inhibit sugar cravings*
- **Alpha Lipoic Acid** - a vitamin-like coenzyme that works as an antioxidant and promotes glucose metabolism*
- **Bilberry (MirtoSelect®)** - has antioxidant properties, and supports vision and circulatory health*

CAUTION: As with any dietary supplement, do not take without first consulting your healthcare practitioner, especially if you are pregnant, nursing, or are under medical supervision for any reason. Keep out of reach of children.
