

ARTHROLACTIN® contains a natural protein concentrate called MicroLactin™ that is derived from cow's milk proteins. These proteins have been found to provide effective support for overall joint health and function thanks to the unique antibodies and other bioactive micronutrients they are comprised of.† Utilizing this effective ingredient, ARTHROLACTIN® works to ease temporary joint discomfort and help you get back to leading an active lifestyle.†

SUGGESTED USE: As a dietary supplement, take 2 capsules two times per day with water for the first 10-14 days (loading phase). Take 1 capsule two times per day with water thereafter for maintenance.

WARNING: Not for use by persons under the age of 18. If pregnant, nursing or taking a prescription drug, consult healthcare practitioner prior to use. **KEEP OUT OF REACH OF CHILDREN.** Do not use if safety seal is damaged or missing. Store in a cool, dry place.

MicroLactin® is a registered trademark of Stolle Milk Biologics, Inc. (SMBI)
