

- Complete formula with essential nutrients†
- Supports eye and vision health†

Many people do not consume enough eye-healthy foods, like fish, leafy greens, and brightly colored vegetables, to maintain the levels of vitamins, antioxidants and essential fatty acids needed for normal eye and vision health.

Specific nutrients help maintain healthy eyes and vision as you age, including zinc, lutein, and zeaxanthin.† Critical to supporting the healthy function of the macula, these compounds are provided in our complete OCUVISI® EYE FORMULA.†

SUGGESTED USE: Take 4 capsules daily; 2 in the morning, 2 in the evening with a full glass of water during meals.

WARNING: If you are pregnant, lactating, taking any medications or have any medical condition, consult your healthcare professional before use. Discontinue use and consult your healthcare professional if any adverse reactions occur. **KEEP OUT OF REACH OF CHILDREN.** Do not use this product if the safety seal on the bottle is broken. Store in a cool, dry place.
