Helladrol® is the newest Prohormone from the Innovative line of products. **Helladrol®** is the product of choice for people looking to gain as much strength, power, endurance, hardness, and definition without holding excess water in the process. The Strength and muscle gains that come from a short cycle of **Helladrol®** have been known to leave most users nothing short of speechless. Gains with **Helladrol®** are hard and lean because it does not aromatize to any type of estrogen. You can expect lean hard muscle gains as well as strength gains on **Helladrol®**.
